ABOUT US

G-Realm Studio was founded and registered to foster Creativity and Innovation especially by empowering the young generation of African children and equipping them with knowledge and skills that they need to thrive in this highly competitive world.

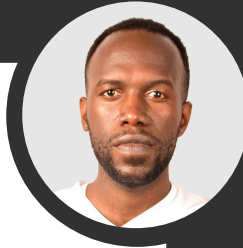

Our Services are carefully crafted to benefit students and schools in Uganda and Africa

FOUNDER & CREATIVE DIRECTOR

Alfred Ochola

Alfred Ochola has over 12 years Professional Experience in Graphic Design & IT Expertise.

He started his pursuit for Technology & Design prowess in Namilyango College, scoring 3AAAA in the National Exams (UACE - Physics, Chemistry, Mathematics & Fine Art), emerging the best in 2011. He has designed over 500 fliers in his career, Over 100 video ads and clips, and over 30 advanced websites & Mobile Apps. He has taught over 50 professional design students. He has worked with Monitor Newspaper, MK Publishers, World Vision Uganda, among other companies.

CO-FOUNDER & CEO

Claire Ochola

Mrs. Claire Ochola is a talented musician, script writer, poet and movie producer, with a Bachelors of Arts degree in Music, from Makerere University.

She has composed over 70 trending original teaching aid videos for toddlers and children using a unique Afro-Musical approach. She is also an expert in 3D Animation and Video editing using modern tools & techniques. She produced the famous series "Secrets of an African Teen" on Youtube. She is passionate about music, Art, Artificial Intelligence and Technology Innovation.
